

## We are Wedding Professionals

Our staff has many years of experience in all aspects of wedding and reception planning. From intimate plated dinners to lavish buffets, every detail is managed and designed to reflect your personal tastes. Our event planners will handle every detail and

personally assist you in every aspect of your event planning.

Along with your wedding event we can also provide services for rehearsal dinners, bridesmaids lunches, wedding day brunch, bridal party food and beverages while your attendants dress and photos are taken and post wedding day brunches.

We can provide complete services at any location of your choice, but if you're still looking for the perfect spot for your wedding and reception we have access to many venues in Colorado Springs as well as the surrounding areas

### *Menus*

All menus are created to meet your specific requests. Our team of classically trained chefs strive to develop menu items that highlight the freshest seasonal foods available in the state. Our ability to customize menus for any occasion is the added touch that sets us apart. From an hors d'oeuvres reception starting at \$9.95 or a two entree buffet from \$12.95 to a sit-down elegant dinner starting at \$14.95 and everywhere in between and beyond. You can see examples on our site of menus ( in the Catering Menus section of the Home Page) but the selection we offer is limitless.

### *Beverage Service*

We are a fully licensed caterer able to provide any beverage service you wish - from a champagne toast, to a full bar, to a gourmet coffee buffet.

### *Presentation*

Our event designers and chefs will select platters, baskets, flowers, and creative decor to complete the look you choose for you reception based on the colors you choose.
